

Lesson 11

The 14th letter in the Arabic alphabet is the letter *SAAD, and it is a thick S sound like letting the air out of a tire.

Now let's combine the sound of
the letter with the short vowels:

*Su سُو
ص

*Sa سَا
صَ

*Si سِي
صِ

End

Middle

Beginning

ص

ص

ص

ص

ص

*If before *SAAD comes a letter that doesn't allow joining in the middle, it will take the beginning form and on the end the initial form.

ص + ص
